

WHY WE CHOSE TO BUILD A APP

SOCIAL APP IS BIG PART OF PEOPLE'S LIFE

57% of people would like to spend 5-7 hours on their phone to play their social app, we can use this chance to publicity our Website.

WHAT IS OUR GOAL

On the data we can see most people are do not themself well, so they would like to spend time on their phone. Our App is helping them to find out their strengths.

Change the mobile App into a deelopment App, so that they can improve them easily.

BY APP TO INCREASE THE VIEWS.

people are easy to find us on mobile App and easy to share their strengths or our website to other people.
